

UNIFORM EXPECTATIONS

Long Bay College is a school with high standards and values. There is an expectation that all students will wear their uniform with pride. This means wearing the uniform correctly at all times and taking personal presentation seriously.

The school requires that correct uniform is worn in the correct manner when students are at school, travelling to and from school and representing the school at events.

- Student's school uniform must be clean, in good repair and worn correctly. It is recommended that school clothing be clearly named. No garments other than approved items may be visible.
- A visible, long sleeved shirt under a blouse or shirt is not a substitute for a Long Bay College jersey, nor is it within our expectations.
- Non-regulation uniform or jewellery will be confiscated and returned on Fridays.
- Students who arrive at school incorrectly dressed should have a note from their parent/caregiver explaining the reason and report immediately to the Student Centre.
- Students without an acceptable reason for being incorrectly dressed may be withdrawn from class to work on an individual programme for the day or asked to return home (parent notified) and may receive a lunchtime detention.
- When in a public place, students in Long Bay College uniform are representing the College and school rules apply.
- In all matters relating to uniform, the Year Level Deputy Principal will determine what is and what is not appropriate, taking into account students' safety, community expectations and any other factors deemed relevant.
