

The way you receive our Daily Notices is changing. Our Daily Notices will be housed on our Wavelength News webpage as a scrolling feed. You will still receive email notifications that the Daily Notices have been updated. Thank you.

DAILY NOTICES

Monday, May 02 – Day 1

GENERAL

- **TUTORING** - Do you need help with your studies? Are you willing to help others? This is your chance to sign up for Long Bay College Tutoring 2022. Become a tutor or be tutored. Whether you've got a test coming up, or you need help with homework; signing up to be tutored is an easy way to get help with schoolwork. This is an opportunity for everyone, so please don't be afraid to sign up!

Or...

You could become a tutor. This is a great opportunity to help the school community and grow your own skills in a subject you are passionate about. To sign up for tutoring, use the forms below!

- **MATHEMATICS WORKSHOPS AND FREE TUTORING** - support, study, revision, or homework catch up. All levels. Every Tuesday after school. Location: M1/M9 Time: 3:30 – 4:30.

CAREERS

JOBS

Looking for a part-time job?

Employers often contact us looking for reliable part-time workers. If this is you, bring along your CV and pop into the Careers Centre (A3) and chat to Kelly, who can tell you more about what's on offer. Don't have a CV? Don't worry, she can help you with that too!

IN SCHOOL CAREERS EVENTS

Register to attend any of the following events by clicking on the link provided. Sessions are limited to 50 students and spaces are almost full. If you have registered, you will receive a call up slip on the day – if you don't receive a slip for the first session this means you're booked in for the second session. ↓↓
